

Northeast Organic Farming Association of Vermont

An organization of farmers, gardeners, and consumers working to promote an economically viable and ecologically sound Vermont food system

Vermont Organic Farmers Verification of 3-Year History of New Fields

This form is to be used by certified producers wishing to add a new field to their certification. This form should be used to verify the previous managers or owners use of inputs that have been applied to the land during the last three years.

Certified Farm Name: _____

Farmer Name: _____

Name of Previous Land Manager or Owner of New Field: _____

Address of Previous Land Manager or Owner of New Field: _____

Phone Number of Land Manager or Owner of New Field: _____

Field Name or Identification	Acreage

I verify that the above fields have been under my management and that they have had no materials prohibited by the USDA National Organic Program applied to them for the last three years.

Signature of Land Owner/Manager: _____

Date: _____

This form must be accompanied with a 3-year history sheet that describes what inputs have been applied to the above areas in the last three years, a summary of the amount of crops removed from the fields if applicable, and a map showing the borders of fields, buffer zones, waterways, and descriptions of adjoining land-use.
