

*NOFA Vermont Proudly Presents the 15<sup>th</sup> Annual*

# *Share the Harvest*

*Dine out for hunger and help share the Vermont harvest with limited-income families.*

*Thursday, October 1, 2009*

The Northeast Organic Farming Association of Vermont invites you to participate in the 15th annual **Share the Harvest** fundraising event to be held **October 1, 2009**. NOFA Vermont is a non profit organization of farmers, gardeners, and consumers working to promote an economically viable and ecologically sound Vermont food system for the benefit of current and future generations. Share the Harvest raises funds for NOFA Vermont's Farm Share Program which assists limited-income Vermonters in obtaining farm fresh fruits and vegetables from their local Community Supported Agriculture (CSA) farms.

You can help! Eat out at a participating restaurant or purchase products at any participating store on October 1 and up to 15% of the sales for the day will be donated to NOFA Vermont's Farm Share Program. In 2009 we have over 1000 individuals participating in the Vermont Farm Share Program. Can't dine out or shop on October 1<sup>st</sup>? Use the coupon below to make a donation. Thank you for making a difference in helping to fight hunger, improve nutrition, and support Vermont's sustainable, family farms!

*We thank you for your support!*
