# Vermont Organic Farmers Livestock Health Record Form

Farm Name: _____ Year: _____

Please list all animal health incidents and their corresponding treatment. All use of medications and alternative remedies must be listed. All farmers must keep this form and fill it out as the season progresses. This form, or a comparable record keeping system, must be submitted yearly with the application for re-certification, and available for inspection at the time of the certification field visit.

| Date | Animal ID | Problem | Vet Used? | Treatment | Dates Withheld | Notes & Follow-Up |
