Vermont Organic Farmers Spray Record

Farm Name: Crop Year:

Please list all use of spray materials (including pest controls, adjuvants, foliar feeding materials, etc.). All farmers must keep this form (or your own form) and fill it out as the season progresses. This form, or a comparable, record keeping system must be submitted yearly with the application for re-certification, and available for inspection at the time of certification field visit.

Date	Product Used	Manufacturer	Amt/row ft or Gal/Acre	Crop	Purpose for Application	Field name/# or Greenhouse
